1 Letter no C 2 5303/31-32 dt 27-6-33 from the DC, Bangalore cr regarding the bylaws framed by the MCC, Devanhalli for the revision of rates to be levied at the Slaughter and the markets in the place, together with the information called for

---

It is reported by the Health Officer that the bylaws have been duly approved by the MCC, that the existing rates have been proposed to be increased in view of the facilities proposed to be created, namely putting up compound wall to the slaughter, macadam and provision of stalls therein. It is stated that there are no reference in the MC office to show that the existing rates were sanctioned by Govt.

Submitted with reference para 2 of the note in the file 63-32 (82-28) for kind reference. It is for consideration whether the bylaws and the proposed rates may be approved for orders.

the model byelaws, referred to 2b is seen that the draft byelaws generally follow the lines of the model byelaws. The draft byelaw no 6 has been considerably ~~modified~~ amplified. Byelaws nos 19, 20, 23, 24, 26, 27 & 30 of the model byelaws have been omitted.

Jm 18/7

~~Byelaws 19, 20, 23, 24, 26, 27 & 30 of the model byelaws are included in draft byelaws nos 18 & 23.~~ and 23

Byelaws 19, 20 & 30 of the model byelaws are included in draft byelaws nos 18 & 23. The omission of the others does not seem to matter

H

E

The objections of the rate payers for the increase of the existing fees are considered by the Town Council to be untenable, as the proposed rates are less than those obtaining in the neighbouring municipalities. It is also stated that additional facilities will be afforded by putting up a compound wall to the shandy maidan and providing stalls for locating shops therein

G

The draft byelaws may be approved, with the omission of the portion enclosed in brackets in byelaws nos 23 relating to the inspection by "such others as may be appointed by Govt". This is not contemplated in byelaw no 2 of the model byelaws & does not also seem to be necessary
